Subject: Re-opening of NCVT MIS Portal for AITT under CTS (Semester-I) August, 2014 session- Regarding.

Sir/Madam,

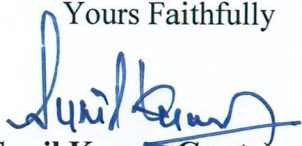

While reviewing the Result of AITT held in February, 2015 it is observed that still result of some of the students in different state is pending due to unavailability of either sessional marks for Q₁ & Q₂ or practical marks (copy of report is enclosed). The sessional marks are to be uploaded by the Principal of ITIs and practical marks are to be uploaded by the respective State Directorates.

In spite of various reminders and providing various chances for uploading the data, it is observed that still **data of some of the students are not uploaded either by State or by ITI (the list of defaulter was already sent to the State/ITI by DGT)**, this is a very serious issue & the students complaint about it again and again to DGT. Therefore keeping in view the request from students & ITI and future of students, it is decided by the competent authority that the NCVT-MIS portal may be re-open as a last chance from **22.09.2015 to 28.09.2015** for final uploading of pending sessional/practical marks by State/ITI, So that the pending result will be declared on the portal by DGT. **Further to inform that, If any legal issue arises due to this delayed action, the NCVT will not be responsible.**

You are therefore requested once again to direct all the concerned to do the needful in this regard, so that the final result of remaining trainees may be declared. The portal is going to be closed finally for Semester-I, August, 2014 session after 29.09.2015
