MINUTES OF THE MEETING OF NCVT DEALING WITH AFFILIATION

held on 11th August, 2017 at DGT, New Delhi

Minutes of the Meeting of Sub-Committee of National Council for Vocational Training (NCVT) dealing with affiliation was held on 11th August, 2017 at 3.00 P.M. in the Main Committee Room, 1st Floor, C-Wing, Ministry of Labour & Employment, Shram Shakti Bhawan, Rafi Marg, New Delhi, under the Chairmanship of Shri Asheesh Sharma, Joint Secretary, Directorate General of Training, Ministry of Skill Development & Entrepreneurship.

The list of members/officers who attended the meeting is placed at Annexure-A.

Director of Training welcomed the Chairman and all the members of NCVT and requested JDT(MCK) to proceed with the agenda of the meeting.

JDT (MCK) presented the agenda points as below:

Item No. 1: Confirmation of the minutes of the last meeting of the Sub-Committee of National Council for Vocational Training (NCVT) dealing with affiliation held on 18th July, 2017.

The minutes of the NCVT Sub Committee meeting held on 25.07.2017, are under process of approval.

Item No. 2: Action taken report on the recommendations of the last meeting.

The Action Taken Report (ATR) (**Appendix-I**) on the recommendations of the meeting dated 25.07.2017 was reviewed by the Committee.

JDT(MCK) informed the committee that out of 74 ITIs under 'UC', only 47 ITIs submitted the documents/CDs. However, few CDs could not be opened hence would be re-submitted. He submitted that these would be presented to NCVT Committee within 10-15 days.

Item No. 3: Consideration of accredited proposals received from QCI, for grant of affiliation.

Director of Training (RKP) informed the Committee that as per the prevailing practice, QCI was sending the files of the accredited proposals with CDs, BCC papers, power connection papers, etc. However, this time QCI has refused to give any hard

copy of the papers in the files. The 23 cases have been processed at DGT based on the papers which could be downloaded from the portal of QCI. DT also pointed out that all the requisite papers for NCVT affiliation in respect of many ITIs were not uploaded on the QCI portal. If these papers are uploaded after the Committee takes a decision, it would not be possible for DGT to verify that the required papers were uploaded after the decision of the committee.

The Chairman then opined to get the documents validated by QCI before issuing the orders. He insisted that the documents be sent to QCI for verification the next day.

Jt. Director of Trg. (MCK) presented the summary sheet for 23 numbers of proposals cleared by QCI along with one proposal of JIM Institute before the Committee for consideration for grant of affiliation to NCVT. Out of 23 cases, **Director of Training (RKP) recommended 9 cases, Rejected 2 cases and considered 12 cases to seek clarification. He also recommended the proposal of JIM Institute.**

The Committee verified a number of case files. It was observed that QCI has also forwarded cases where BCC for that ITI was not available on their portal. The Chairman instructed DT to seek the reason from QCI for forwarding such cases. The Committee also recommended the proposal of JIM Institute for affiliation to NCVT.

The NCVT sub-committee finally recommended 3 cases for affiliation to NCVT (Appendix-II), rejected 2 cases (Appendix-III) and considered 18 cases for seeking clarification (UC) (Appendix-IV) and also recommended the proposal of JIM Institute.

■ Item No. 4 & 5: Shifting Cases.

Jt. Director (MCK) informed the committee that six existing ITIs in (U.P.), namely (1) New Lal Bahadur Shastri Pvt. ITI, (2) Vindhaychal Pvt. ITI, (3) Jagdamba Pvt. ITI, (4) Gulab Anjani Choudhary ITC, (5) Girdhari Choudhary ITC and (6) Shri Sai Pvt. ITI physically shifted to a new location. As QCI portal was not accepting the proposals for inspection/ affiliation at that time due to lapse of MoU with UOI/ DGT, they approached the Hon'ble High Court at Delhi to Direct QCI to accept their applications for shifting of the premises and process them as per the procedure.

In absence of functioning of QCI, the BMRC Private ITI Jaipur was inspected by a specially constituted committee with the approval of the competent authority in order to resolve the issue of de-affiliation. The recommendation of the committee was considered and approved by the NCVT Sub Committee in the meeting held on 15-12-2016.

On the same lines as of BMRC Private ITI Jaipur, the State Directorate, UP was requested to constitute an inspection committee for verification/ inspection of the infrastructure of the above 06 institutes at new location. Accordingly inspection was carried out and the reports along with summary sheet were presented before the NCVT sub-committee members.

Chairman, NCVT Committee expressed his desire to peruse the documents related to constitution of special committee for inspection of BMRC Private ITI. He also requested to show the Court Order issued by Hon'ble High Court, Delhi vide which QCI was directed to accept and process the applications of the six ITIs in respect of shifting of their premises.

The matter was deliberated in detail and the Chairman was apprised of the fact that the Standing Committee was constituted on line of the inspection carried out for BMRC of Rajasthan because the QCI portal was closed due to expiry of MOA. The Chair than directed that DGT may take ex-post facto approval of the committee constituted ^{for} ~~and~~ the inspection ^{conducted} and final recommendation of the Standing Committee be examined as per norms.

JDT(MCK) apprised to the Chair that DGT has examined the recommendation of the Standing Committee and all the 6 ITIs do not comply as per the NCVT norms and hence recommended for de-affiliation at the existing premises and also not recommended for affiliation at new premises.

The Committee deliberated on the issue and accepted the proposal of de-affiliation/ affiliation as stated above.

JDT(MCK) further informed that The following two types of shifting case has come to notice of this Directorate on which the committee may deliberate;

(i) The ITIs which applied as per norms to QCI for affiliation at new places and QCI has not initiated process; even some of the ITIs could not apply to QCI/DGT for unavailability of QCI portal due to expiry of MoA between DGT and QCI.

(ii) (a) There are few ITIs considered in meeting of 15.12.2016 wherein the ITIs has been shifted to new premises with existing single trade.

(b) The ITI shifted to new place with single trade and have been recommended by the QCI with addition of units in same trades.

The Chairman directed that DGT may formulate guideline/ policy for the cases where shifting of premises is involved to deal with the issue in future.

The Chairman reminded DT that as per the Grading Policy, new units would be added to the existing ITIs only if they opt and get the grading. He expressed that this is not being followed and desired that it should be taken care of, in future.

The meeting ended with a vote of thanks to the Chair.
