To,

All the State Directorate (dealing with Craftsmen Training Scheme).

Subject:- Agreement with Bank for collection of question paper near all the Trade Testing Centres for conducting All India Trade Test under Craftsmen Training Scheme (CTS)-regarding.

Sir,

Kindly refer to this office letters no. DGET-18011/01/2013-TTC dated 24th September, 2012 and 26th October, 2012 on subject matter. As you are aware that the question papers of AITT under CTS are forwarded to exam centres through public sector Bank selected by State Directorate for the purpose of secrecy. But, it is observed that some of the Banks are not aware of the MoU / Agreement signed with them by the State Directorate concern / Exam centre Incharge, so they are not ready to receive question papers' packets of AITT. In case of not acceptance, packets are coming back to T.T.Cell, DGT and re-sending to new location causes hardship to DGT and delay in delivery of question paper on new location. In such situation, the exam centres are compelled to multiply the question paper at their end received through e-mail from DGT which causes inconvenience to all concerned and delayed start of exam. In this regard, following is clarified:-

1. The bank agreement may be signed with any branch of Public Sector Bank in close vicinity of Trade Testing Centre.
2. A clause should be made in the agreement to open the bank on the scheduled time/day of the examination.
3. The States/U.T. will bear the expenditure for keeping the papers in banks. They should make provision of funds needed under annual budget for banking purpose. Accordingly, the service charge of bank would be paid by the States / UTs.
4. The volumetric space to be hired from bank should be assessed with the demand of question papers at a particular Trade Testing Centre.
5. The packets of question papers would be handled over by the bank to the centre superintendent one hour before the scheduled time of examination for each subject every day as per the schedule of exam.

In view of the above, you are requested to direct all exam centre / Principal, Superintendents / Incharge to contact their concerned Bank and explain them the process of acceptance of question paper packets during AITT under CTS (Annexure-I), so that any inconvenience due to this may be avoided. While sending indent (Format-A) the number and Date of agreement / MoU singed between State Directorate / Exam Centre and Bank should also be provided at column no. 06 (Annexure-II).

In case of non-acceptance by Bank, the exam centre superintendent shall be held responsible and suitable action may be taken to avoid such situation in future.

Yours sincerely

(Sunil Kumar Gupta)
Director / Controller of exam

Subject: - Agreement with Bank for collection of Question Paper near all the Trade Testing Centre for conducting All India Trade Test under Craftsmen Training Scheme (CTS) / Apprentice Training Scheme (ATS).

Sir,

As you are aware that Question Papers (Q.P) related to Craftsmen Training Scheme (CTS) as well as Apprenticeship Scheme (ATS) are directly dispatched by the printing presses to the Trade Testing Centres/Addresses specified by the State/UT Directors.

Experience of this arrangement during July,2012 examination were not very encouraging. In order to make the system further secure and to maintain foolproof secrecy, it has been decided to send these sealed packets by the press to nearest Branch of a Public Sector Bank. The packets would be handed over by Bank to Center Superintendent one hour before the schedule time of Examination.

In view of above, you are requested to make an arrangement with the Bank immediately and this process may be completed latest by 22-10-2012. This new system will be effected for All India Test of C.T.S and A.T.S exam from January 2013, onwards.

The addresses and contact details of such Branches of the Banks may please be furnished as per the format enclosed. This information must be enclosed with the indent of Q.P at the time of submission to this Directorate General. This matter may be treated as MOST URGENT.
