Subject- Request for verification of trainees admitted in the ITIs granted affiliation on 07.10.2016 and 23.09.2016.

Sir,

It is to inform you that DGT is in receipt of number of representations from various ITIs regarding non uploading of data on NCVT MIS Portal and also non forwarding of data in template through emails within the prescribed time lines i.e. 09.10.2016.

In this context, the competent authority has decided to ensure that the trainees were admitted upto 09.10.2016. Accordingly, the trainees admitted up to 09.10.2016 are to be verified by the respective state Directorate.

In this regard, you are requested to refer details of ITIs granted affiliation in the meeting held on 07.10.2016 & 23.09.2016 which are available on DGT website at [linkhttp://dget.gov.in/content/innerpage/affiliation--de-affiliation.php](http://dget.gov.in/content/innerpage/affiliation--de-affiliation.php). excluding the ITIs listed in the attachment (as they had sent mail upto 09.10.2016 with MIS code) and verify that the admissions have been done up to 09.10.2016 & classes were started from 10.10.2016 to complete period of 90 days of teaching before semester exam.

You are requested to kindly verify as above using admission data available on your state portal if admission of Govt. as well as Pvt ITIs are centralised and controlled by your Directorate, in case it is not available in your state you may use your own mechanism, including verification of fee receipts, trainees attendance register etc. and conform to this Directorate by writing number of trainees admitted in 2016 against each trade/unit of these ITIs affiliated in 2016 in attached excel sheet.

An early reply is solicited by email at id: rajkumar_1960@yahoo.co.in with copy at mc.kardam@nic.in in the template attached in excel file before 05.01.2017 to enable us to complete the process of admissions etc. for the exam schedule held on 2 Feb 2017.

Encl: as state above.

Yours faithfully,

(M.C Kardam)
