(Ravi Chilukoti)
Joint Director

Parameter	Remark of the Inspection Committee	Representation by the NEP ITI.	Comment from DGT
Infrastructure	<p>1. Classes held in Basement (Photos attached for Underground classroom)</p> <p>2. Stairs under construction (photos attached)</p> <p>3. Lab of Steno trade is on 1st floor and Electrician trade is on 2nd floor and a ladder are built to go from ground floor to 1st and 2nd floor, which can cause inconvenience to the trainees</p> <p>4. As per the permission of Housing board, permission was granted for 76 square meter construction on 2nd floor, however, for electrician workshop construction was done for 98 square meter which is against the permit.</p> <p>5. Institute shall provide separate toilets for staff, boys, girls and differently abled individuals as per local building bye-laws /NBC of India". This norm is also not fulfilled as no separate toilets available for Staff and differently abled individuals.</p>	No comment from the ITI in this matter is received	<p>1. Inspection team has attached photos of classes running in basement/underground.</p> <p>2. Permission letter of housing board is attached which explicitly mentions that floor area cannot be more than 76 m² 1st and 2nd floors.</p>
Electricity	As per the rent agreement 1500 Watts (1.5 kW) of electrical connection was provided, but total electrical load of Institute is 14.92 kW. No information was provided regarding when the load was increased	No comment from the ITI in this matter is received	Rent agreement attached mentions that ITI has electricity sanction of 1.5 kW, however no document was provided by the ITI which mentions application for increased electricity load.
Machinery and equipment	1. Desktop Computers- Available but only 5 nos. were functional and configuration was not as per the norms.	ITI mentions that Inspection committee has said that desktop computers were not available. However, it is available and photo attached.	<p>1. Inspection committee mentioned the availability of Desktops but only 5 of them are in working condition and they do not adhere to latest configuration.</p> <p>2. LCD projector was available but was kept on CPU as shown in attached picture.</p>
