Agenda 24.5: Court cases

Agenda 24.5(a): Vijay Singh Private ITI (PR09001436)

The instant petition has been filed by petitioner ITI, Vijay Singh Pachainya Pvt. in W.P. (C) No. 9018 of 2020 an CM No. 19065 of 2020, before Hon'ble High Court of Delhi at New Delhi praying for issuance of directions to the respondents to restore the units of third shift in respect of already affiliated trade of petitioner ITI and consequently enable petitioner to take admissions in the present academic session to 2020-21, with respect to Impugned Order dated 23.10.2020 issued by respondent.

The ITI was in the list of ITIs proposed for de-affiliation, however, since no deficiencies were found it was decided to maintain the affiliation status of ITI, however its 3rd shift were de-activated.

In the instant matter, the hon'ble High Court vide its order dt. 18.11.2020 has granted interim relief to the petitioner by directing that -

"...4. List on 24.03.2021.

5. In the meantime, there will be stay on operation of the Impugned letter/ communication dated 23.10.2020, till the next date of hearing.

6. Petitioner will be allowed to participate in the counselling de hors the communication dated 23.10.2020. All other consequential steps will also be taken by the respondent."

It is worth mentioning here that the condition of not allowing 3rd shift is only restricted to the proposals which are considered for grant of affiliation. In this case the already affiliated 3rd shift was discontinued.

Recommendation of the Committee: The committee decided that a counter-affidavit be filed first and thereafter, the orders of the court be followed, if any. Since, the case is already being moved on the file, further directions and orders will be issued on the file as such.

Agenda 24.5(b): Ch. Charan Singh pvt ITI (PR09001898), UP:

The instant matter has been filed inter alia to quash the order of de-affiliation dated 22.10.2020.

The Case of petitioner is that it was shifted from old location-"Village & P.O. Talheri Bujurg Distt. Saharanpur (UP)" to new location i.e. at "Village-Fatehpur Kalan, Post & Block Nagal, Tehsil Deoband, Distt. -Saharanpur (UP)" and have been granted affiliation at new location vide DGT order dated 27.08.2019. However, based on the recommendations from the S/D UP and Joint Inspection report the ITI has been de-affiliated vide DGT order dated 22.10.2020. The ITI was Recommended for De-affiliation in 10th RCM held on 15.09.2020., based on the list of ITIs provided by the State Directorate. However, in 2019, this ITI was affiliated for shifting at new location with increased units. The ITI is now De-affiliated at the portal for the MIS code PR09001898 at old location and was affiliated for shifting in 2019 at new location, which is also De-affiliated now.

Since, the shifting proposal of ITI has already been considered and approved, the affiliation granted to the ITI at its old location deemed to be void. However, joint inspection of the petitioner ITI was carried out at its old location which seems irrelevant to the grounds of its de-affiliation at new location.

The aforesaid facts were put up before the Recommendation Committee of DGT in its 17th meeting held on 11.12.2020, for its review where the committee asked to seek comments from State Directorate-UP. As informed, comments were sought by DGT from the respective S/D reply to which is still awaited.

It is worth to mention here that the address of ITI as mentioned in de-affiliation order dt 22.10.2020, is its old address and hence affiliation granted to the ITI for its new location may be restored & same may be updated on NCVT MIS Portal accordingly.
