IP Estate, Ring Road, New Delhi-110002

Subject: Opening of QCI portal and migrating the data to NCVT MIS portal-reg.

Sir,

You may kindly be aware that the accredited proposals received from QCI are scrutinized at this directorate with reference to the available data on the QCI Portal before these are submitted to sub-committee of NCVT for affiliation. Similarly, the scrutiny is also done for the cases where corrigendum are to be issued and reference is required to be made in VIP cases etc.

Nearly for past one month, the QCI Portal is not working / is closed. As such we are unable to access to the data to scrutinize the proposals related to issue of corrigendum. There are about 40 cases where corrigendum **requires to be issued immediately so that trainees of these institute could be allowed to write the examination** which have since been commenced from 2nd Feb, 2017. Further as no data of the ITI's is migrated to NCVT MIS Portal, the matter remains unresolved besides the application lying at stage 3c/5A at QCI are also awaited.

The matter was discussed in review meeting held on 24.01.2016 wherein QCI assured to make the portal operational but nothing so far has been done. The portal is still closed which is adversely affecting the working at DGT.

*VF/2*  
You are requested to kindly open the portal immediately and also sent the proposals as have been requested vide has directorate letter of even no dated 29.12.2016 (copy enclosed)

Yours faithfully,

(Deepanker Mallick)

Dy. Director General(T)

D.O. letter DGT-12/1/2016-TC  
Dated 29.12.2016

Dear Sahani Sahab,

As you are aware that Quality Council of India (QCI) was engaged for accreditation of ITIs, for a period of four years (from 1st September, 2012). As per the agreed terms of MoU signed between DGT (on behalf of NCVT) and QCI, the latter would do accreditation of the ITIs and shall forward the duly accredited proposals to DGT for further consideration for affiliation by Sub-Committee of NCVT dealing with affiliation matters.

In this regard a discussion was held during the meeting on 15.12.2016 regarding the forwarding of Applications in pipeline with QCI to DGT for affiliation. During the meeting QCI was requested to forward all such applications for which the requisite fee had been received by them for further necessary action. The application was to be duly accredited before forwarding the same to DGT.

An email was also sent by the undersigned on 19.12.16. The said information is still awaited. You are therefore requested to forward all these applications immediately, after doing the needful as stated above.

This may be treated as most urgent.

With warmest regards,

Yours Sincerely

(Deepankar Mallick)

Deputy Director General (Trg.)
