**Subject:** One-time relaxation from De-activation of trade/units of ITIs whose 100 % seats are lying vacant for 2 consecutive years regarding.

Ref: DGT-12/01/2018-TC(Part) dated 20.12.2018.

Sir/Madam,

This is regarding modification of the provisions contained in letter DGT-12/01/2018-TC(Part) dated 20.12.2018.

According to this letter, if in any ITI, either Government or Private, 100% seats are lying vacant for last two consecutive years in any trade/unit, it will result in its deactivation on NCVT MIS Portal.

Many representations are being received from ITIs seeking relaxation of the above provisions as they were not able to get admissions due to Covid pandemic situation. This matter has been examined in DGT. It has been decided that keeping in view the difficulties faced by the ITIs during Covid pandemic, one-time relaxation will be given to them from the provision of the above-mentioned letter DGT-12/01/2018-TC(Part) dated 20.12.2018.

However, to ascertain the readiness of ITIs to impart training in such cases, SSDEC's of respective states may examine and share the details with DGT regarding such ITIs, and based on the reports received from SSDEC, ITI will be considered for taking admission from the session 2023-24.

This issues with the approval of competent authority.
