Sir/Madam,

In continuation to the letters cited above, it is observed that still 86,124 trainee's data were not verified and approved on NCVT-MIS portal. By considering the requests from various state directorates, the competent authority has decided to open NCVT-MIS portal for only **trainee verification & approval** for the session 2022.

Accordingly, the NCVT-MIS portal remains active from 01.02.2023 to 07.02.2023 for **trainee verification & approval**. All the pending verifications and approvals must be finished by the ITIs with in the deadline. Strictly no further extensions will be given after 07.02.2023 as session is going to end by May 2023.

This issues with the approval of competent authority.
