**Subject: Reconsideration of applications of ITIs for addition of trades/units which had been earlier not recommended / rejected as per the old grading criteria – reg.**

Madam/Sir,

This is regarding reconsideration of applications received from ITIs for addition / extension of trades / units that had been rejected / not recommended earlier due to obtaining less grading as per the old grading criteria (which required a minimum score of 1.25 on a scale of 5.0) for addition of new trades/units.

2. Subsequently, the Directorate General of Training notified a new data driven grading methodology on 23.03.2023. According to this data driven methodology, ITIs with a score of 4.0 or higher, on a scale of 10 were made eligible for addition of trade / units.

3. After notification of the new grading methodology, representations are being received from some applicant ITIs who had been earlier not recommended / rejected due to low grading but now have got grading of 4.0 and above. These applicants have stated that they were previously not recommended or rejected due to not meeting the minimum grading score of 1.25 as per the old grading system. However, under the new grading system, they now have a grading score of 4 or above, making them eligible for trade/unit additions. These ITIs have made request to reconsider their applications.

4. The matter was examined in DGT and a Committee was constituted vide letter number DGT-Aff011(14)/27/2022-O/o DIR (TC) dated 24.07.2023 to give recommendations on this matter. The Committee after detailed deliberations gave

recommendation for processing these applications. Based on the recommendations of the committee, the competent authority has taken the following decisions:

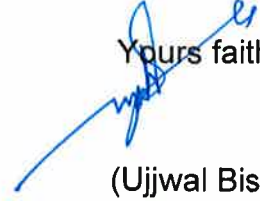

S.No.	Category	Description
1	<p>(a) The ITIs which were placed in previous SCAA meetings and were not recommended due to less grading in old grading system. (List of ITIs, is attached at Annexure-I)</p> <p>(b) The ITIs which were rejected after desktop assessment at the inspection ready stage on NIMI portal. (List of ITIs, is attached at Annexure - II)</p>	<p>The competent authority has decided to grant a one-time final opportunity to this category of applications.</p> <p>If these ITIs currently have a grading of 4 or above in the new grading system, the following method will be followed:</p> <ol style="list-style-type: none"> <li>i. ITIs may convey their willingness to the concerned RDSDE, by email within 1 month from the issue of this letter.</li> <li>ii. If the ITIs do not convey their willingness within this period, a reminder will be issued by the concerned RDSDE on registered email id, and ITI will be given 7 more days to reply. If they fail to respond even after this reminder, their application will not be considered again, and they may apply afresh.</li> <li>iii. If the ITI has expressed the willingness, RDSDE will create inspection batch. However, before batch creation, RDSDE will coordinate with the State Directorate to verify necessary documents, as per norms and guidelines issued by this Directorate General and respective State Directorate, in this connection.</li> <li>iv. Joint inspection will be conducted by RDSDE and State Directorate.</li> <li>v. Once the inspection report is submitted on the NIMI affiliation portal, these cases will be placed in the next SCAA as per procedure.</li> </ol>
2	<p>ITIs which were rejected while applications were still pending at various stages of desktop assessment on NIMI portal. (List of ITIs, is attached at Annexure-III)</p>	<p>For this category of application, Desktop assessment is not completed.</p> <p>Hence, if an ITI in this category now possesses a grading score of 4 or above as per the new grading methodology, they may initiate a fresh application on the affiliation portal.</p>

This is a one-time final opportunity and shall not be used as a precedence.

This issues with the approval of competent authority.

Yours faithfully
