Subject: Last opportunity for Data migration of leftover trainees to DGT portal (SID) and cut-off date extension for Trainee verification for the session 2023 -Regarding.

Sir/Madam,

The data migration activity for trainees admitted in various CTS courses for the 2023 session has been completed from state admission portals to the DGT portal (SID platform) by 12th January 2024, as per the DGT schedule (copy attached).

We have received numerous representations from State/UT Directorates and NSTIs regarding pending data migration of trainees who were admitted before 10th October 2023 but were not migrated to the SID portal due to various issues/errors.

After careful consideration of all the requests, the competent authority has decided to provide a final opportunity for trainee data migration to the DGT portal (SID) through API/Excel as per the mentioned schedule.

Furthermore, the cut-off date for the "Trainee Verification process" on the new DGT portal (SID) has been extended from 29th February to 30th March 2024, considering the challenges faced by the trainees.

Data Migration Schedule: Six Month (Batch-I), One- year and Two-Year Trades: Session:2023.

S.no	Activity	Timelines	Responsibility
1.	Pending Trainee Data Upload by State/UT Directorate through API/Template. (By all the States/UTs)	04.03.2024 to 12.03.2024	State/UT Directorate.
2.	Auto generated Trainee verification link and send it to trainees on registered mobile, email etc from DGT portal (SID). (DGT will not bear responsibility, if trainee mobile, email uploaded wrongly by State/UT/ITI)	Instantly after successful upload of the trainee's details	DGT (State/ITI may alert trainees)
3.	Trainee Verification. (Concern ITI is responsible to ensure this step to be completed by all the trainees admitted in their ITI)	Last date extended till 30 th March 2024	Trainee. (ITI must ensure all trainees admitted in their ITI to complete this step)

All State/UT Directorates are requested to complete the "Trainee Verification process" according to the schedule mentioned above.

This issues with the approval of competent authority.

Yours faithfully

(Ujjwal Biswas)
Director, TC
