| | | <p>institution dated 29.05.2018 was restored with the DGT. And passed the direction for DGT to consider the said application afresh in accordance with law for grant of affiliation with respect to next Academic Year i.e. Academic Year 2023-24.</p> <p>In compliance to the Hon'ble court direction in WPC 12233/2022 to reconsider the application of ITI, the ITI has been intimated on 05.06.2023 to keep ready the infrastructure for inspection of ITI.</p> <p>The case was then put up in 10th SCAA held on 16.06.2023 and it was decided that RDSDE and state directorate Bihar to conduct the joint inspection and RD RDSDE submit the report within 30 days from the issue of the MoM.</p> <p>The fresh inspection was scheduled at the premises of Ramashray Private ITI on 22.07.2023. However, the petitioner has not cooperated again with the team and kept the institute closed deliberately stating that the confirmation of the inspection was not sent on its mail id ramashrayiticollegehatta1@gmail.com so the inspection couldn't be materialized.</p> <p>It is pertinent to mention here that the petitioner was already given prior intimation from DGT on its registered email on 05.06.2023 and the inspection batch was formed vide state letter dated 13.06.2023 with duly communicated to the petitioner. Additionally, the petitioner was also communicated telephonically for verification.</p> <p>As a principle of Natural justice, the request of the petitioner for re inspection</p> | <p>roads were the same.</p> <p>vi. Electricity meter was found to be not connected with the transformer.</p> <p>vii. The consumer number written was found not available on the electricity department website.</p> <p>viii. The joint verification team has not recommended the petitioner institute for affiliation.</p> <p>ITI has been given multiple opportunities to rectify the deficiencies, but still ITI has not cooperated for joint re-verification, affiliation application of the ITI may be rejected.</p> | <p>It is pertinent to mention here that the affiliation can only be granted after rectification of the deficiencies by the institute concerned. The recommendation of the joint inspection cum verification team is the primary criterion to grant any affiliation to the institute.</p> <p>That the officers deputed for the purpose of inspection have to cancel other assignments in order to materialize the field visits at the premises of the institute. The lackadaisical approach of the Institute has resulted in the sheer wastage of the time and resources of DGT and the State Directorate of Bihar. Moreover, rescheduling the inspection batch repeatedly is not feasible, as it would disregard other pending affiliation applications</p> |
