Sub: Affiliation and admissions in 3rd shift trades/units in the ITIs – Reg

Ref: DGT letter DGT-Aff0misc/19/2022-TC SECTION dated 09.01.2023.

Madam/Sir,

This is in continuation of the DGT letter dated 09.01.2023, wherein it was informed to all the State Directorates that no new affiliations would be allowed in the third shift of ITIs, except in Dual System of Training (DST) mode, and all existing affiliated units in the third shift would need to be converted to DST mode by the 2024-25 session.

In this connection, DGT has received various representations from State Directorates requesting a two-year extension for the conversion of existing affiliated units in the third shift to DST mode.

The matter has been examined and it has been decided to extend the deadline for conversion by two years. Consequently, all units affiliated in the third shift will have to be converted to DST mode before the start of the 2026-27 academic session. However, new affiliations in the third shift of ITIs will only be permitted in DST mode.

All the ITIs are advised to utilize this extended period to convert all units affiliated in the third shift to DST mode in accordance with DST guidelines. It is also informed that any units affiliated in the third shift that are not converted to DST mode by the 2026-27 session will be deactivated on the portal, and no further admissions will be allowed in these units.

This issues with the approval of the Competent Authority.

Yours Faithfully

(Ishwar Singh)
Deputy Director General
