Subject :- Re-generation of hall ticket for AITT under CTS to be held in January/February, 2018- regarding.

Sir,

As you are aware that the last date to complete the mapping of examination centre and generation of hall ticket by State Directorate for AITT under CTS January/February, 2018 was **05.01.2018**, but most of the states were not able to complete it in time. Due to delay, the NCVT MIS portal has generated hall tickets automatically on 9th and 10th January, 2018, but the concern has been raised by some State Directorates in this regard.

As the hall tickets automatically generated and downloaded by ITI on 9th and 10th January, 2018 may not be as per the exam centre mapping to AITT January/February, 2018. So hall ticket generated has been removed from the NCVT MIS Portal and the ITIs will not be able to download it. Now the State Directorate has to again generate the hall ticket from their end.

In view of the above, kindly re-generate the hall tickets and inform the ITIs under your control to re-download the hall ticket from NCVT MIS Portal for AITT under CTS to be held in 2018. This information is already communicated to you by E-mail (copy enclosed).

Yours faithfully

(Sunil Kumar Gupta)
Director (TTC)
