**Sub: Joint inspection of existing ITI's for addition of trade/units or shifting cases.**

Sir,

DGT launched Online Affiliation portal through NCVTMIS portal in April, 2018 to facilitate ITIs for applying online and many existing as well as new ITI's (proposed) have registered/submitted their applications. However, due to technical and administrative reasons, the competent authority has decided to process the applications received before 31.01.2019 through both online as well as offline for extension of trades/units or shifting of location of ITI in offline mode.

Accordingly, joint inspection of these ITI's(list enclosed) will be carried out by DGT representatives(as per attached list), in association with State Directorate and forward reports latest by 25thApril 2019 so as to enable us to place before 'Recommendation Committee', DGT for granting affiliation w.e.f. 2019 academic session.

**It may please be noted that ITIs will be inspected as per the attached schedule only and no additional time or alternate dates will be extended to ITI's. In case if any ITI is not ready/willing for inspection as per the schedule, the same ITI's will not be inspected again for grant of Affiliation for the Session 2019-20.**

**This issues with the approval of competent authority**

YoursSincerely
