**Sub: Joint inspection of existing ITI's for addition of trade/units or shifting cases.**

Sir,

It is to inform that the competent authority has decided to process the online registered applications of new ITIs (proposed) through offline mode due to technical reasons. Accordingly all the applications registered at different stages (1 to 3) which are ready for Joint Inspection as well as the existing ITIs with Grading 2.0 and above have been considered.

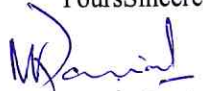

Accordingly, joint inspection of these ITI's (list enclosed) will be carried out by DGT representatives (as per attached list), in association with State Directorate and forward reports latest by 20th June 2019 so as to enable us to place before 'Recommendation Committee', DGT for granting affiliation w.e.f. 2019 academic session.

It may please be noted that ITIs will be inspected as per the attached schedule only and no additional time or alternate dates will be extended to ITI's. In case if any ITI is not ready/willing for inspection as per the schedule, the same ITI's will not be inspected again for grant of Affiliation for the Session 2019-20.

ITIs are advised to contact concerned State Directorate immediately to complete other formalities.

This issues with the approval of competent authority

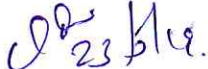

Yours Sincerely
